SUMMARY

Ph.D. Economist with 7+ years of experience in structural modeling and econometrics. CFA Program Candidate with expertise in financial statement analysis and quantitative modeling. Skilled in Python, R, and Stata to analyze investment behavior and market dynamics. Published researcher dedicated to solving complex challenges through data-driven insights and quantitative modeling.

PROFESSIONAL EXPERIENCE

Ludwig Maximilian University of Munich

Munich, Germany

Lecturer, Managerial Economics I

2025 – 2026

- Designed and delivered graduate lectures on microeconomic decision-making, pricing, and strategic management, integrating real-world case studies and analytical tools.

Research Associate

2018 – 2024

- Built, calibrated, and tested large-scale life-cycle models to forecast the impact of policy changes on investment behavior and portfolio risk allocation.
- Conducted advanced macroeconomic research, resulting in a peer-reviewed publication on sovereign fiscal pressure. Presented quantitative findings at 10+ international conferences to policymakers, economists, and academic audiences.
- Coordinated the CES Visiting Program and weekly public economics seminars, facilitating cross-institutional research collaboration.
- Supervised 15+ students. Taught graduate tutorials in Public Economics, emphasizing fiscal policy design and empirical methods.

Mercedes-Benz Turk

Istanbul, Türkiye

After-Sales Engineer

2016 – 2017

- Performed predictive data analysis on technical component failures using statistical methods, identifying critical trends and providing quantitative risk metrics for management.
- Developed severity-based prioritization metrics that improved technical decision-making and streamlined reporting workflows across a network of 30+ dealers.

EDUCATION

Ludwig Maximilian University of Munich

Munich, Germany

Ph.D. in Economics

2024

- Thesis: Towards Optimal Taxation | Advisor: Prof. Dr. Dominik Sachs

University of Toronto

Toronto, Canada

Visiting Graduate Student

2023

Ludwig Maximilian University of Munich

Munich, Germany

M.Sc. in Economics

2019

Bogazici University

Istanbul, Türkiye

B.Sc. in Electrical and Electronic Engineering

2017

CERTIFICATIONS

CFA Program Level I: Passed (November 2025)

TECHNICAL SKILLS
